

NSW Rugby Charity Ballot

NSW Rugby receives a large number of requests and so we have decided to introduce a monthly draw system to give all requests a fair and equal opportunity of receiving a charity donation. The ballot will run each month in season from February – July with an off-season draw in October.

All applications must be received in writing at least 1 month in advance of your event in order to qualify for the next monthly draw.

Successful applications will be notified on the last working day of the month, should you not hear from us please assume your application has not been successful.

Kind Regards
NSW Rugby
